With our column, Forewords, we let readers know the latest book news about some of the web team's most-anticipated upcoming releases across the genres — just as the projects are announced!

NEW SERIES ALERT

Young Adult - A brother and sister team take on the post-apocalyptic world in Shaunta Grimes' upcoming series first *Viral Nation*. He's the elder of the two and she's a high-functioning autistic, but they both find that the rules supposedly meant to keep them safe are actually holding them back.

Mystery - The heroine of Zoe Burke's *Killer Shoes* is a film buff with a sense of wit. Mystery and romance abound in the Annabelle Strakey Mystery series-starter that's set to publish in Fall 2013.

PIQUING OUR CURIOSITY

Contemporary Romance - Home doesn't always stay the same, at least not for the heroine of *Hanna Martine's Modern Highlander*. To keep her childhood alive, she plans to bring the Highland Games back to her local New England town. But the boy she'd counted on helping, her childhood sweetheart, is now all man — and he's ready to leave for good. Unless she can change his mind ...

Historical Romance - Travel back in time along with the heroine of Juliette Sobanet's *Dancing With Paris* as she confronts a scandalous past life that includes danger and murder as a 1950s Paris cabaret dancer. Release date: TBA.

Science Fiction - To piece back together of the love of his life, a man goes an epic journey to recover his stolen robot girlfriend in Judd Trichter's *Love in the Age of Mechanical Reproduction* — but will she be the same as she once was?

Graphic Novel - We absolutely love her Jane True Urban Fantasy books, and we are guessing that we are going to fall just as hard for *Nicole Peeler's* debut graphic novel *Something Wikkid This Way Comes*. The story will follow three halfling paranormal investigators as they take on the Devil himself to locate missing Catholic school girls.

Erotic Romance - An erotic romance entitled *No Mercy* that's set in the futuristic world of No Limits? Oh how you tease us, author *Jenna McCormick!* We expect some hot things from your next book.

DOWNLOAD AND GO

Contemporary Romance - Consider these already downloaded: Vicki Lewis Thompson will release three new e-books in the The Cowboy or the Billionaire series. Although we have to ask, why can't we have a cowboy billionaire? Think about. The best of both worlds!

EXCITING DEBUT AUTHORS

Historical Romance - We like our heroines with a mind of their own, and the woman in Catherine Hemmerling's debut *For Hannah's Heart* promises to deliver. The heroine in this story gives a handsome earl a run for his heart when they concoct a scheme to save their brothers and thwart an annoying suitor. Look for this release in Fall 2012.

Young Adult - She's no angel, but she has wings. *The Strange and the Beautiful Sorrows of Ava Lavender*, the debut YA novel by Leslye Walton, will detail the travails of a sixteen-year-old girl who has a pair of non-functioning wings and the man who believes she's an angel.

NON-FICTION PICK

Memoir - *Picnic in Paris*, the follow-up to Elizabeth Bard's bestseller *Lunch in Paris*, details one young family's move to the city of lights. We are told that included within this book's bevy of enchanting tales, we will also be treated to some delicious Parisian recipes.

TELEVISION TIE-IN

The heartbreaking and uplifting tale of one woman's survival under the debris of Tower One on 9/11 will grace Lifetime's movie lineup. Based on the Genelle Guzman-McMillan's memoirs *Angel in the Rubble*, this should be one can't-miss movie.

These are this week's deals that we can't wait to hear more about in the coming months. Check back every Monday for more Forewords!
